

Society of
International
Economic
Law

The Society of International Economic Law has launched SIEL Conversations, a monthly webinar on international economic law.

The aim of SIEL Conversations is to bring together authors and commentators to give talks that are idea-focused so as to foster learning and inspiration, and provoke conversations that matter. Each SIEL Conversation will last approximately one hour and will include commentary from the speakers, with questions from the public.

What's On

**Book Launch:
Sondra Faccio,
Indirect Expropriation
in International
Investment Law.
Between State
Regulatory Powers
and Investor
Protection - Editoriale
